

How to find us

We are tucked away behind the tourist information office in Town Street. Look for our pavement sign and go through the narrow alleyway into the courtyard.

Our parking is limited to the paved area only. Please do not park on the gravelled section as this will irritate our neighbours! Alternatively there are car parks in Park Street or Margaret Street. Both are free, and easy walking distance away.

Our opening hours are Monday to Friday 8:30am to 5:30pm.

Our practice is all on one level, and is easily accessed with a wheelchair or pushchair. If you have any special requirements please call in advance to ensure we can meet them.

If you have a dental emergency please call us for advice. We have appointments available every day for emergencies so you won't have to wait long.

If you have an emergency outside our usual hours please telephone 01371 870 884, which is Dr Copping's "emergency line" at home. Opening the surgery out of hours will carry a separate fee.
